- Primitive Construction: Time to use: one hour for gliders and rope bridges; several hours for

Special Abilities:

Skill Bonus: At the time the character is created only, the character gets 2D for every 1D placed in the hide, search and sneak skills.

Skill Limits: Beginning characters may not place any skill dice in any vehicle (other than glider) or starship operations or repair skills.

Smell: Ewoks have a highly developed sense of smell, getting a + 1D to their search skill when tracking by scent. This ability may not be improved.

Story Factors:
