### Dylarian Drive Yards Lugnut Carrier Ship

The Slasher, DDY's starfighter lacks a hyperdrive and none of their ships had starfighter capabilities. So the Lugnut was constructed. It is the only ship in the Dylarian Navy with the ability to carry starfighters. It can carry 4 squadrons of starfighters and 12 support vessels. (Shuttles and Transports) It's caught the interest of the New Republic along with the Empire.
