Story Factors:
Disciplined: Ongidae are a strong and disciplined species, well suited to working together. This gives anyone issuing them orders a bonus +1D to their command, allowing them to co-ordinate more easily.

Move: 10/12

Description: The Ongidae were a sentient species that lived in the galaxy. Pemmin Brunce was an Ongidae who worked as the head of security in the Canto Bight casino on Cantonica.

Society and culture
Ongidae were strong and disciplined, which made them ideal foot-soldiers.

Ongidae in the galaxy
Although the Galactic Empire rarely enlisted non-humans, they did make use of Ongidae Oppressors.
