Description: Nurchi was a human junk dealer that lived on the planet Ferrix during the reign of the Galactic Empire. In 5 BBY, hoping to collect the money that Cassian Andor owed him, he enlisted the help of Vetch to intimidate Andor. However, his attempt was unsuccessful. During an uprising

on Ferrix, Nurchi told Imperials of Andor's arrival on the planet. While waiting in the hotel for the outcome, Nurchi was subsequently killed by a bomb thrown by Wilmon Paak.
