Description: Vivyn was a human senator in the Imperial Senate of the Galactic Empire. Shortly after Galactic Emperor Sheev Palpatine introduced the Public Order Resentencing Directive in response to a rebel heist on the planet Aldhani in 5 BBY, Vivyn attended a party held at the Chandrilan

Embassy on the planet Coruscant.

At the party, Chandrilan Senator Mon Mothma attempted to win votes to oppose the directive, holding a conversation with Vivyn, Senators Dhow and Teenar, and the guest Slorda. Drink in hand, Vivyn claimed that the directive would protect them, as was the Emperor's primary charge, and stated that they had already seen what too little protection looked like during what Vivyn considered to be dangerous times. Vivyn then chuckled when Slorda changed the topic with a joke. Vivyn had light skin and red hair. At the party, the senator wore a pink dress with a golden necklace and matching earrings.
