Creatures D6 / Squig

Name: Squig
Skin color: Pale
Homeworld: Chandrila

Dexterity: 1D
Perception: 1D
Strength: 1D

Special Abilities

Subtle Taste: While Squig are bland in their taste, and offer little nutritional value, when added to other foods they enhance the taste, making it more enjoyable to eat.

Move: 8 (Swimming)
Size: 0.07m long

Description: Squigs were a vicious pale eel species from the planet Chandrila. The creatures were a planetary speciality that were served in the beverage Chandrilan Squigs where the eels were added to the drink and made it fizz.
