Description: Mennis Duren was a member of a sentient species and had yellow skin, gray hair, and orange eyes. The alien was present on the Ring of Kafrene trading outpost in the year 0 BBY. The Rebel Alliance agent Cassian Jeron Andor passed by Duren in the outpost's busy streets while the alien stood next to a Delphidian at a food stall. Andor then passed the alien again at the entrance to an alley where the agent was due to meet his contact Tivik.
Duren was later present in Jedha City on the moon of Jedha, where the alien spoke with a hooded

individual near several market stalls shortly before the city's destruction by the Galactic Empire. Duren wore blue robes while on the Ring of Kafrene and Jedha.
