Description: Valwid Ined was a brilliant male Vobati who found work as a forger on the moon Jedha during the reign of the Galactic Empire. Ined provided fake transit visas to members of the rebel Saw Gerrera's Partisans movement so that they could move through Imperial checkpoints in Jedha City without issue. The forger was present in Jedha City in 0 BBY when the Alliance to Restore the Republic agents Jyn Erso and Cassian Andor passed Ined in the street shortly before the settlement was destroyed by the Empire's Death Star superlaser. Ined wore a brown full-body suit that included a face-covering headpiece.
