- Blaster Cannon
  - Fire Arc: Front
  - Skill: Vehicle Blasters
  - Fire Control: 1D
  - Range: 5-100/300/1km
  - Damage: 3D

Description: A 12 series speeder was a type of speeder that was not commonly known for its durability or speed. However, when modified, the speeder was more than qualified to participate in Riot Racing. It was put to the test when a droid known as TAY-0 used a highly modified model in Riot Racing on Serolonis.
