

Characters D6 / Grand Admiral Geraad

Grand Admiral Geraad Kun

Geraad Kun was born on Corellia, and later enrolled in the Empire after his parents were allegedly killed in a Rebel raid on an Imperial space station. He started as a gunboat pilot on the SSD Devastator, where he served under the then Grand Admiral Weji in the Marettan sector. He soon rose through the ranks until he was promoted to Vice Admiral, appointed Fleet Commander in the revived Empire led by Emperor Weji, and given command of the Executor-class Super Star Destroyer Devastator. After fighting numerous battles, he was promoted to Grand Admiral.
