Description: A freighter was operated around 9 ABY by Quarren Shuggoth. The ship came under attack by Mandalorian Axe Woves' privateer fleet as it was carrying the bounty hunters' current target; a Mon Calamari Viceroy's son who had an affair with Shuggoth. It was ultimately forced to dock on Woves' Arquitens-class cruiser in order for mercenaries including Koska Reeves to board it and retrieve the prince, leaving Shuggoth and her crew alone.
