### Android 42

Android 42 is one of two Temere robotics Corporation, Gattaca Human replica Androids, to have gone renegade. The Gattaca series is designed to resemble humans, or any other race, custom rodered, perfectly. Andoird 43 and her 'brother' Android 42 went renegade and began to think for themselves. They repogrammed themeselves somewhat and had natural personalities as if they were ordinary people. Android 42 has a male personality and apperance. He looks like a young boy with chin length black hair parted down the middle with ice blue eyes. He wears jeans, a black shirt and a red scarf, as well as sneakers and neon-green socks. He enjoys having fun more than his 'sister' and goes out of his way to do something he thinks will be fun. Although he is good at martial arts like his 'sister' he prefers to use firearms and blasters in combat.
