Description: Djovi Resmia was a human Jedi Initiate on the planet Tenoo during the High Republic Era.

Personality and traits

Djovi Resmia was human with tan skin and dark brown hair. They were extremely competitive, driven by a need to prove themself to others even in situations when cooperation was more appropriate. They appreciated a challenge and desired to improve. Resmia enjoyed training with Kai Brightstar, as they considered Brightstar to be their only strong challenger in lightsaber combat.

Powers and abilities

Resmia was a skilled lightsaber duelist, including knowledge of lightsaber forms that had not been taught to their fellow younglings.
