Description: An Imperial Officer from the moon of Sarjenn 3, she was a Rebel Agent working aboard Darth Vader's Super Star Destroyer the Executor. In this role she fed information to the Rebels for an unknown amount of time, until Vader himself discovered her actions.
He requested her as an escort and pilot on a diplomatic mission taking her back to her home and eliminating the Rebel forces there, and threatening her family. This caused her to turn double agent working for Vader and feeding false information to allow him to manipulate the Rebel Alliance. He then allowed her to say her goodbyes to her family for the last time, before they returned to his ship to start their work.
