Story Factors:

Reputation: Rodians are notorious for their tenacity and their eagerness to kill intelligent beings for the sake of a few credits. Certain factions of galactic civilization (most notably criminal organizations, authoritarian/dictatorial planetary governments and the Empire) find Rodians to be indispensable employees, despite the fact that they are almost universally distrusted by other species. Whenever an unfamiliar Rodian is encountered, most other beings assume that it is involved in a hunt, and give the alien a wide berth.

Description: Wald was a Rodian male slave who lived on Tatooine during the time of the Naboo Crisis. He was one of Anakin Skywalker's playmates in the Mos Espa Slave Quarters. He and Kitster Banai, along with the droids R2-D2 and C-3PO, formed Anakin's pit team at the Boonta Eve Classic podrace. At the time, Wald was six years old. Along with Kitster and many others, Wald was eventually rescued from slavery by Sabé and Tonra and made a life for himself with many former slaves at a colony on Gabredor III.
