Description: Sami, also known as SP-39, was a young female Pantoran who was kept as a prisoner on the vault of Tantiss Base along with Eva and Jax, two other children who had a high M-count. Worn down by her time in captivity, she was quiet and cautious. With the arrival of the infant Bayrn, Sami became his primary caregiver. She along with the other children would eventually escape with the aid of Doctor Karr and the Bad Batch.
