Planets D6 / Ueda

Name: Ueda
Class: Terrestrial
Atmosphere: Breathable
Major cities: A village

Description: Ueda was a planet home to a village that contained the Lomi Usqi Noodle Shop. It was inhabited by a diverse range of sentient species.

History
In 132 BBY, the Jedi Master Indara was stationed in a village in Ueda. The Force-sensitive assassin Mae Aniseya tracked her to a bar and confronted her, attacking several bystanders until Indara intervened to stop her. Mae killed Indara in the ensuing fight.

Places of Interest
