Characters D6 / Sera Asvek (Bothan Spy)

Sera As'vek

Sera As'vek grew up on Bothawui, and learned how to become a Bothan Spynet Operative at a young age. She also learned how to contact and be contacted by those that did not wish to be known to the Empire. She has joined up with the Rebel Alliance and is helping to get them the supplies and equipment they neigh need for the upcoming civil war. Despite her best intentions, Sera fears the Bothan Spynet will not aid the Rebellion for quite some time, and it may cost the Rebel Alliance greatly. However, she will never turn her back on the Rebels, not if she can help it. Sera works quietly behind the scenes sometimes, and yet other times she meets with contacts and informs them where they need to go, and what they need to do in person. Sera has made a friend with Jedi Master Laran Plyko, and is proud to call this Jedi friend.
