Description: Daro was a Force-sensitive human in the Jedi Order during the High Republic Era. In

132 BBY, they were a Padawan and attended a class on lightsaber combat led by Jedi Master Lakshay in a training room in the Jedi Temple on the planet Coruscant. Daro and the six other students carried out a routine using bokken sabers as Lakshay provided instruction. Just as the students' routine drew to a close, a chime sounded and Lakshay announced the session was over.

Daro and the others bowed to Lakshay, who returned the gesture and then asked Daro and the Padawan Rena to show him their opening stance before leaving. During the class, Daro wore a set of white and gold Jedi temple robes with a brown belt and brown boots.
