Characters D6 / Esara Tulean (Human Slaver)

Esara Tulean

Esara Tulean is a will known slaver, who often transports slaves for the Empire, but she has been known to do business with other unpleasant people in her time, including Yanith the Hutt. Esara's prized slaves are Wookiees and Trandoshans, though she asks a pretty price for them. Her most notable capture was a Rancor, which she successfully delivered to Yanith alive and well. Yanith repaid Esara with a bigger transport, a loyal crew, though Esara thinks their all Yanith's spies.
