Description: Volgax was a planet located within the Volgax system of the Core Worlds.

History
Ancient homeworld of an extinct civilization, the Ruins of Volgax ancient cities were restored and used by the Crucible as a training base for slaves fighters during the Mandalorian Wars. After the visit of Zayne Carrick, the training facility was evacuated in 3963 BBY.

Places of Interest
Duelling Pits
The Dueling Pits were a training ground operated by The Crucible, a slaver organization, where countless prisoners were kept and forced to fight each other in combat. The Pits were a moving location, constantly being transferred between planets on the Crucible's vessels.
