Planets D6 / Unidentified Nihil facility

Name: Unidentified Nihil facility
Location: An asteroid
Affiliation: Nihil, Ministry of Advancement

Description: A facility of the Nihil marauders was located inside of an asteroid within the group's Occlusion Zone territory. Jedi archivist OrbaLin speculated that the facility had been a Nihil refuge from before the time of the Occlusion Zone. Baron Boolan of the Nihil utilized the facility as a base for his experiments.
