Description: NX-88 was a droid member of the Ganguls pirate gang during the High Republic Era. NX acted as the pilot for the Ganguls' flagship, the Rathtar's Revenge during the gang's raid on Deppani for starships following a storm. NX-88 was later present with the Ganguls during their takeover of Yarrum Tower
NX-88 had a blue visor with brown plating and communicated in deep-toned droidspeak. NX exhibited impatience during the Gangul's earlier raids, but willingly followed orders from the group's leader Sellaccc Orryak. Despite remaining onboard the Rathtar's Revenge NX still displayed enthusiasm for the gang's pursuits such as during the prelude to the takeover of Yarrum Tower.
