Description: Sadie Bolter was a human girl with fair skin and orange hair who lived in Black Spire Outpost during the High Republic Era. She was bullied by an older Mirialan named Pak Relda.

Bolter was fascinated with Jedi lightsabers and stole Jedi Initiate Lys Solay's lightsaber in order to stand up to Relda. However, Relda stole the lightsaber.
When Solay and her friend Padawan Celesta Kami confronted her, Bolter admitted her wrongdoing and helped the Jedi find Bolter at Docking Bay 7. She helped the Jedi defeat Relda and her spider droids. Recalling Solay's advice that she did not need courage to wield a lightsaber, Bolter fought and defeated Relda. After Solay retrieved her lightsaber, the Jedi girls introduced her to Jedi Master Carver Drow and jedi younglings Kai Brightstar and Nubs.
