Description: During the New Republic Era, a human worked as a security officer at Skull Ridge Mountain Hotel & Spa on the planet of Lanupa. Around 9 ABY, they confronted Jod Na Nawood for impersonating Professor Umiam Gorelox.

Biography
They were a human security officer at the Skull Ridge Mountain Hotel & Spa on the planet of Lanupa. Around 9 ABY, they approached the scoundrel Jod Na Nawood and younglings KB, Neel asking if he was in fact Professor Umiam Gorelox from Scipio. When Na Nawood and his companions ran away from the officer they called more guards who cornered the group on a

walkway at the spa's Mud Pits. The youngling KB used a wrench to cause a mud pipe to spew mud at the group of guards causing them to fall into the mud pits. At the same time Na Nawood knocked out the officer with a punch and the group made their escape.

Personality and traits
They were a human with short brown hair, blue eyes and light skin.

Equipment
While working at the spa, they wore a green uniform with a white helmet, white belt and white gloves.
