Description: Sweeda was a Weequay who served as a pirate in the crew of Captain Brutus during 9 ABY. They were abroad Brutus's frigate when it arrived outside the Barrier around the hidden planet At Attin. After the frigate had pulled the Onyx Cinder aboard they where among the pirates

that aimed their blasters at the ship. When former captian Silvo executed Brutus with his own blaster musket they were initially shocked but was ultimately persuaded along with the rest of the pirates by Silvo to accept him back as captain. Later Sweeda was among a group of pirates that fired at the Onyx Cinder when it was escaping the frigate's hangar after it had been retaken by a group of younglings. They had brown skin and long braided hair. During this time period they wore a red undershirt with a brown vest.
