Special Abilities:

Tracking: Sakiyan have almost supernatural senses, allowing them to track targets by sound (+2D), by smell (+2D), or at night using their natural thermographic vision.

Temperature Resistant: Sakiyan are resistant to extremes in temperature, able to operate comfortably-without breaking a sweat-at heat levels that might injure non-Sakiyans, as well as frigid depths, although those were less appealing to them. This gives them +2D to resist the effects of heat and cold.

Story Factors:

Honor: Honor was exceedingly important to members of the species, and they divided it into distinct types such as monthrael-personal honor-and yithrael-pride honor. After suffering personal dishonor, a Sakiyan's family and descendants were dishonored as well. However, a family member

could lift the dishonor from the clan name through glory-bringing acts.

Hunters: Sakiyan are natural hunters, and will gravitate towards careers and roles suited to these talents such as Law Enforcement or Bounty Hunting.

Description: Finn was a Sakiyan male who worked as a bartender for Rik's Cantina in the galactic capital Coruscant's underworld during the Second Imperial Civil War. He also served as the main bouncer of Rik's, which was owned by the Hutt Queen Jool. In 137 ABY, he served drinks to the bounty hunter Cade Skywalker, who was visiting Jool.

Biography

Finn, a Sakiyan male, was born in the decades leading up to the Sith–Imperial War. He eventually became the lead bartender and main enforcer of Rik's Cantina, a bar in the underworld of the galactic capital Coruscant operated by the Hutt Queen Jool. He defended Rik's Cantina from troublemakers using subtle and efficient methods, such as placing tranquilizers in a drink and offering it to a disruptive patron. During this period, he became familiar with the bounty hunter Cade Skywalker, who frequented the cantina with his friends Jariah Syn and Deliah Blue.

In the year 137 ABY, during the Second Imperial Civil War, Finn was working in Rik's Cantina when Skywalker came to the bar in order to visit Jool. Skywalker asked the Sakiyan to pour him both a Corellian whiskey and an ale, and Finn was informed by the Hutt that the cantina would cover the cost of the drinks. Finn gave the drinks to Skywalker and continued managing the bar as Skywalker and Jool conversed with each other.

Personality and traits

The Sakiyan male Finn was a jaded and distant individual, and was unsurprised by any actions performed in Rik's Cantina. However, his demeanor belied his abilities both in unarmed combat and with a blaster. When in a difficult situation, Finn remained calm and would maintain his composure. Finn owned a heavy blaster pistol, a comlink, and tranquilizer drops that he placed in unruly patrons' drinks. He did not question Queen Jool when she told him that the cantina would cover the cost of Cade Skywalker's drinks. Finn's eyes were black and his skin was gray.
