Creatures D6 / Grey Men

Grey Men

Grey men are further servants of the dark side, supposedly serving dark masters whose name history forgot. The same dark masters who control the Draghkar, Trollocs, Myrddraal, and Dark Ajahdia. They are incredibly plain men and or women, they can be of any race though usually human and male. Thy are so plain they'd blend into a crowd if that were necessary.

The eye naturaly slips past them not wanting to stay on them making people think them not there. Only one actively searching can make their eye find and stay on a grey man before it's too late. They are the perfect assassins.

Soul: It is said that Grey Men sold their souls to the dark side to become assassins for it. It is said this is why they have their ability. They are so plain one could not pick them out of a group of three. A Grey Man may make his sneak rolls with no cover in broad daylight, and so it is enarly impossible to notice a grey man unless actively looking for him.
