Biography

Wedding arrival

Sordo, in purple and grey robes, and Squidna greet Perrin Fertha and Mon Mothma upon arriving at the Mothma Estate.

Sordo and Squidna were greeted by Perrin Fertha and Mon Mothma upon arriving at the Mothma Estate.

Sordo was a human male who was partner to the human female Squidna and uncle to Perrin Fertha, a native of the planet Chandrila. In 4 BBY, Sordo and Squidna attended the three-day wedding of Fertha and his wife Mon Mothma's daughter, Leida Mothma, and fellow Chandrilan Stekan Sculdun at the Mothma Estate on Chandrila. After arriving in an airspeeder on the first day, Sordo and Squidna were greeted by Mon and Fertha, the latter of who Sordo handed a gift and called their favorite nephew. In return, Fertha called Sordo his favorite reprobate and the group then headed further into the estate.

Mon's assistant Erskin Semaj then approached to discuss a parking problem with her. Fertha briefly joined their conversation before Sordo asked him if they should wait for others to arrive or head to the bar, while Mon departed. Fertha suggested they head for the bar. Later that night, Sordo and Squidna spoke with Leida and Sculdun inside one of the estate's buildings. The bride and groom schmoozed the older couple as Fertha and Stekan's father Davo Sculdun watched.

Three-day festivities

On the second day of the wedding, Sordo and Squidna attended the wedding dinner on the estate and Sordo sat beside Fertha, while Squidna sat a few places down beside Mon. Per Chandrilan tradition, Fertha gave a speech from a dais in the center of the room, welcoming the guests in Chandrilan and toasting their health before offering advice to the bride and groom. At the end of the speech, Sordo raised their glass along with everyone else present. On the third and final day of the wedding, Sordo and Squidna attended the ceremony in one of the estate's courtyards, standing together on an outer circle with other family members. The couple observed the bride and groom and their parents in the courtyard's central circle as they carried out a ritual in which Stekan cut a braid of Leida's hair.

Later in the day, Sordo and Squidna were part of the crowd that watched Davo unveil his wedding gift to the newly-weds, a Chandi Merle statue. When Davo finished his speech, Sodro tapped a glass and cried "teema" with the rest of the crowd. At drinks afterward, Sordo and Squidna spoke with Mon until her buisness partner Tay Kolma approached, at which point Squidna led Sordo away. Soon after, Sordo and Squidna watched Leida and Stekan perform their first dance after which the guests mingled. A speaker droid then entered the room and began playing music for the guests to dance to.

Personality and traits

Sordo had light skin and gray hair. Fertha considered his uncle a reprobate and Sordo was happy to get a headstart on the bar when arriving at the wedding.

Equipment

On the first day of the wedding, Sordo wore gray, purple, and white robes, changing to golden, brown, and white robes on the second day and brown and white robes on the third. Upon arriving

at the Mothma Estate, Sordo gave Fertha a gift in a golden cross-shaped box with metallic decorations and described it as "good stuff."
