Description: Squidna was a human female who was partner of the human male Sordo. In 4 BBY, they attended the wedding of the Chandrilans Stekan Sculdun and Leida Mothma, the latter of who was daughter of Sordo's nephew Perrin Fertha and his wife Mon Mothma. Fertha and Mon greeted Sordo and Squidna when they arrived at the Mothma Estate on the planet Chandrila and the couple later spoke to the bride and groom. On the second day of the wedding, Squidna watched Fertha giving a wedding speech at dinner and on the third day the uncle observed the wedding ceremony in one of the estate's courtyards.

Biography
Squidna was a human female who was partner to the human male Sordo. In 4 BBY, Sordo and Squidna attended the three-day wedding Leida Mothma, and fellow Chandrilan Stekan Sculdun at the Mothma Estate on Chandrila. After arriving in an airspeeder on the first day, Sordo and Squidna were greeted by Mon Mothma and Perrin Fertha, parents to Leida. Later that night, Sordo and Squidna spoke with Leida and Sculdun inside one of the estate's buildings. The bride and groom schmoozed the older couple as Fertha and Stekan's father Davo Sculdun watched.

On the second day of the wedding, Sordo and Squidna attended the wedding dinner on the estate. Squidna sat a few places down beside Mon while Fertha gave a speech from a dais in the center of the room, welcoming the guests in Chandrilan and toasting their health before offering advice to the bride and groom. On the third and final day of the wedding, Sordo and Squidna attended the ceremony in one of the estate's courtyards, standing together observing the ritual in which Stekan cut the left braid of Leida's hair.

Later in the day, Sordo and Squidna were part of the crowd that watched Davo unveil his wedding gift to the newly-weds, a Chandi Merle statue. Afterward Sordo and Squidna were speaking with Mon until her business partner Tay Kolma approached, at which point Squidna led Sordo away. Soon after, Sordo and Squidna watched Leida and Stekan perform their first dance after which the guests mingled. A speaker droid then entered the room and began playing music for the guests to dance to.

Personality and traits
Squidna had light skin, blue eyes and white hair. When she arrived to the Mothma Estate, Squidna greeted Mon Mothma and commented on the events. Although Squidna knew that Mothma was lying when she noted that the other human was looking younger by each season, she appeared to be gratified nonetheless.

Equipment
On the first day of the wedding, Squidna wore tan dress with matching tan over coat, large earrings, a tan necklace which included four large beads, and a tan ring on their right hand. Squidna changed into a changed to gold colored dress on the second day and finally wearing a purple dress on the third.
