Special Abilities:

Lekku: Ozrelanso can use their lekku head-tails to communicate in secret with each other, even if in a room full of others. The complex movement of the tails is, in a sense, a "secret" language that all Ozrelanso are fluent in.

Story Factors:

Gruff: Ozrelanso have a reputation for being gruff in their interactions with other species, this is mainly due to their preference for using their Lekku for communication.

Move: 10/12

Description: The Ozrelanso were a sentient species found in the galaxy. Male members of the species had lekku that grew on the sides of their skulls.

Ozrelanso in the galaxy

During the High Republic Era, the Ozrelanso Ratko served as a bodyguard for Sullustan Senator Tia Toon. His large and imposing build made his profession obvious, while Toon claimed Ratko was merely a secretary.

During the First Order-Resistance War, Plesko Marno, a former Bureau of Ships and Services clerk, attended the Spice Runners' Den on Kijimi shortly before the world's destruction.
