Background:
U.S. Marine Staff Sergeant John "Reaper" Grimm was born in Los Angeles, California.
He was raised near Olduvai Gorge, Tanzania by his archaeologist parents, who died in an accident; his estranged fraternal twin, Dr. Samantha Grimm, was until recently still there, carrying on their parents' research.
He enlisted in the Marine Force Reconnaissance and was trained at the Marine Corps Recruit Depot (MCRD) San Diego, a United States military installation in San Diego, California.
After training he was assigned to the 1st Force Reconnaissance, based at Camp Pendleton, California.

He has recently started serving at Stargate Command on a Marine Combat Unit, along with his sister Dr. Samantha Grimm.
His skill with machineguns and tactical weapons enabled him to quickly join one of the SG teams.
