Description: Senator Den Gane was a politician in the Imperial Senate of the Galactic Empire, representing the world of Roona. They had the same last name as Edcel Bar Gane, a Roonan Senator in the Senate of the Galactic Republic, who came from the same planet.

Following the Ghorman Massacre in 2 BBY, the senate held a session to discuss the events. Gane was one of several senators who spoke within the Grand Convocation Chamber as part of the day's agenda. Gane expressed frustration regarding the massacre's events and complacency of the Imperials to allow such an attack to take place.
