Description: Shenes was a Human Imperial Navy Captain loyal to Emperor Roan Fel, whom Shenes regarded as the true Emperor. In 138 ABY, Shenes commanded the Pellaeon-class Star Destroyer Fist of the Empire during the Battle of Coruscant. As the battle progressed, the Fist of the Empire was suffered heavy damage from Sith Annihilator-class starfighters, prompting Shenes to request aid in defeating the enemy ships while the Fist of the Empire fought for as long as it could. Shortly afterward, the Fist of the Empire was destroyed by the Sith starfighters.
