Special Abilities:

Floating Corneal Micro-Lenses: Anzellans have the ability to focus on microscopic objects, giving them a +2D to all skills involving objects less than 30 centimetres away.

Diminutive: Anzellans are extremely small creatures, the size of most other species infants. This makes many tasks difficult for them due to their size, it also makes getting weapons and equipment more expensive as it needs to be adapted for their physical characteristics. This also which makes them a harder target to hit during combat (+1D to Dodge), but means they cannot lift as much (-1D to Lifting)
