Characters D6 / Matari (Lina Sohs Targon)

Name: Matari
Species: Targon
Gender: Male
Hair color: Red
Sibling(s): Voru (twin)
Owner(s): Lina Soh

Dexterity: 4D
Perception: 3D
Search: 6D
Strength: 5D+2

Special Abilities

Fangs and Claws: Targon have razor sharp claws and teeth, favouring biting over clawing. Each of these allow the cat to do Str+1D damage in combat.

Tamable: Although lethal predators, when fed these animals can be fairly easily trained and will not hunt and attack unless they become hungry or feel in danger.

Sense of Smell: Targon taste the air with their split tongue, and are able to track by scent, gaining +1D to all rolls involving smell.

Move: 18
Size: 2.3 meters
Orneriness: 2D

Description: Matari was a red-furred male targon that was owned by Supreme Chancellor Lina Soh of the Galactic Republic. Matari and his twin, Voru, accompanied the Chancellor at all times. Like his sister, Matari was named after one of the ancient gods of Coruscant.
