Droids D6 / Stilleto Assassin Droid

Stilleto Assassin Droid

The stilleto assassin droid is a tall thin form. It's edges are all smoothed off
and the otuside is in large peices of dark stealth armor. It's head is crowned by multiple
sensors of various types in 360 degrees giving it full view of it's surroundings.
It was created by a Jer`segan droid enginner to be very simple and useful and only
have the traits which it needed to perform as an assassin droid.
